Subject: Re: Fwd: 3rd quarter 2006 water

Mike,

I have uploaded all of the information for from the pipeline into the permanent database. A report is attached.

It seems like you have included all required samples and parameters for the quarter of. As the assigned hydrologist for the mine, I will verify that all the required data is present by the end of the second week of the next quarter. You may want to verify for yourself first to avoid having delinquent data. If you do not know how to check the data in the database, please let me know and I can send you instructions.

Thank you,

Steve Fluke
